### Mission Statement

We, the Catholic Community of St. Mary of the Angels, through the guidance of the Holy Spirit and inspired by our Franciscan heritage, boldly live the Gospel of Jesus by prayer, worship, sacrament and by compassionate service to those in need in our parish, community and the world.

• He said to the paralytic, "I say to you, rise, pick up your mat, and go home." He rose, picked up his mat at once, and went away in the sight of everyone. They were all astounded and glorified God, saying, "We have never seen anything like this."

*Mk 2:11-12*

## In Our Parish

7th Sunday in Ordinary Time

It's astonishing to some people that we Catholics will spend time talking to a priest about our deepest faults. Confession of sins and being assured of God's forgiveness is not something that everyone readily understands.

But when we take the time to really acknowledge our sinfulness, to admit to ourselves, to God, and to another person (the priest) what we have done wrong, we can experience the healing that comes from the confession of our sins.

The Gospel today explicitly reminds us that the forgiveness of sins is connected to healing. When we confess our sins, make an act of contrition, and receive absolution we are healed in that sacrament. The paralyzed man who was dropped through the roof in front of Jesus by his friends had his sins forgiven. Much to the astonishment of the crowd, the paralytic got up, rolled up his mat, and walked out the door. It was that easy.

There is a lot of misconception about the sacrament of penance. Once a person gets over the hurdle of fear or shame though, it really is as easy as the actions of the paralyzed man. There was a lot of work on the part of others to get him in front of Jesus. They had to carry him there, open the roof, and lower him down. And before we go to confession, there is some work we have to do. We have to examine our conscience, and be willing to be honest with ourselves and with God. But after that it's easy. We sit down, tell the priest our sins, receive a penance, pray a prayer of contrition, receive absolution, and then go on our way.

It is the work of reconciliation that takes much longer, sometimes even a lifetime. Because sin fractures relationships, confession really is the easy part. It is what we do afterwards to heal the wounds that is the most demanding. It is a good thing Lent begins on Wednesday! ©2011 Liturgical Publications Inc

## Does the Bishop's Appeal pay the Bishop's salary?

The Bishop's Appeal is an annual campaign that supports the ministries of the Diocese. It does not pay for the Bishop's salary. The Appeal does provide support to diocesan ministries which reach out to thousands of people each year. Some of the ministries the Bishop's Appeal supports are Catholic Charities, the diocesan Education Department, the Compass and the Lay Ministry Formation program, to name a few. The Bishop's Appeal is a wonderful way to share our faith with people who are interested in learning more or are in need of counseling and other services from Catholic Charities.

Thank you for your generous support of the Bishop's Appeal 2012!

## Church Support

Contributions from the week of **February 5**

Weekly envelopes & loose collection..... \$5,012.00

**THANK YOU FOR YOUR CONTINUED SUPPORT OF OUR PARISH!**

We need \$6000 weekly to meet our Financial obligations!

In Ash Wednesday's Gospel, Jesus warns that our giving must be done quietly, without hoping for recognition or applause. But He also promises that God, who sees even our most secret deeds, will reward those who fast, pray, and give alms.

## The Origin of Ash Wednesday

Ash Wednesday entered the calendar in the early sixth century when the desire arose to have forty actual days of fasting before Easter. Sundays were never fast days, so to get forty, one had to add four days to the six weeks of Lent. In the Christian lands along the Rhine River, the devotional practice of imposing ashes arose as people imitated what they heard in Bible passages. What was once a private devotion came to be practiced publicly in the eighth century, and by the year 1000 it was commonplace in many celebrations at the beginning of Lent. The distribution of ashes was formally added to the *Missal* at Rome in the thirteenth century and this ancient symbol of repentance is now widely used among most Christian denominations at the beginning of Lent.
