**Special Collection
January 24—Church in Latin America**

Although approximately half of the world's Catholic population lives in Latin America, the Church in the region is losing members at an alarming rate. They are drawn away from the Church by other faiths and are often obliged to migrate in pursuit of a better life. These tensions can contribute to the destabilization of families and faith communities. You can **keep faith** through your support of next week's Collection. Your generosity will support the pastoral work that engages parishioners and fosters the faith. The Church in Latin America needs your help.

**&
Daily Mass at 9AM**

Also, in observance of this holiday, the Portland Peninsula and Island Parishes Pastoral Center Office will be closed.

DISCIPLES IN MISSION 2010

Over the past two years over 300 individuals in our Cluster were a part of Disciples in Mission. Once again this year, our third and final year for the program, this exciting faith-based family and adult program is being offered this upcoming Lenten season. We will continue this year to offer the program on a Cluster wide level, enabling people from different churches and even various cultures to come together to share their faith.

What is Disciples in Mission? The Disciples in Mission program provides us with opportunities to grown in holiness, to become more welcoming, and to witness Christ more consciously in our families, neighborhoods, and workplaces. Every parish in the Diocese of Portland will be offering this program that enables families, teens and adults the opportunity to explore the Sunday Scriptures and come together on a weekly basis for six weeks to share their faith. During the next two weekends, Jan. 23-24 and Jan. 30-31 in each of our five parishes, we invite you to sign up to participate by being part of one of the many groups offered. **Don't miss this opportunity to grow closer to Christ during this Lenten season. Sign-up in the next two weekends in each of our parishes after all the weekend Masses Jan. 23-24 and Jan. 30-31. For more information or to register via email please see our cluster website www.cluster21portland.org.**

Winter Help Thus Far (since July 1, 2009)

WINTER HELP COLLECTION: During the summer season we have several Winter Help Collections for St. Christopher Parish. Obviously, in the winter our Offertory Collection is lower, but our heating, electric, snow removal and other various on-going operating bills are higher. The summer collections are done for obvious reasons, to give the largest number of people this great opportunity to keep-up the Parish and down the road to just plain keep the Parish. **We also may take up this collection in May for those who may be going away in those months, but live here on Peaks. Envelops are in the pews to use any time!** The parish return address is already printed on them. You may put a donation directly in the basket or take an envelope and send a donation later.

CLUSTER PRAYER LINE

Need Prayers? For yourself? For a loved one? For a problem? For an intention? The Cluster Prayer Line prays for all our ongoing prayer requests every day. It is confidential and no names are used. Donna Lebel is the Prayer Line Coordinator. She can be reached at 774-7120 (home). You may leave a message. She will never ask the name of the caller. *If you would like to join us, and become a member of our prayer line, please call Donna Lebel at number listed above.*

Offertory Envelopes! St. Christopher's Parish has implemented offertory envelopes. This is a convenient method of maintaining records of your giving history throughout the calendar year. We are happy to report that now, St. Christopher's, together with our other cluster parishes, uses the offertory envelope system. If you would like to sign up for your envelopes, you may do so by going to the back of the church where you will find the envelopes and sign up sheet. ***Thank you very much for your faithful support of St. Christopher Parish!***
